OPTIONS

- Cane/crutch holder
- Oxygen tank holder
- Rear basket
- Walker holder

The information contained herein is correct at the time of publication; due to the manufacturers commitment to constant improvement and development, they reserve the right to alter specifications without prior notice. Theoretical range is calculated under test conditions in accordance with European standards. Actual range in normal use will depend on many factors, including the condition of the vehicle and its batteries, the weight of the driver, correct tyre pressure, ambient temperature, and the gradient and surface of the road or pavement.
